RE/MAX

Nestled in the mountains of East Tennessee just minutes from Johnson City, we offer this immaculate equestrian estate. Situated on a 10.9-acre tract of meadows, woods, and cross-fenced pastures, this farm was designed with the horse lover in mind. From the beautiful fields to the large and well-appointed horse barn, nothing was left out. The property features a gorgeous Victorian style brick home. Built by one of the area's premier builders, it shows custom quality throughout. This luxurious 5 bedroom, 3 bath home offers 2 primary suites—one of which is on the main floor with a large walk-in closet, gas fireplace, and Jacuzzi tub—a formal dining room; a gourmet kitchen with high-end appliances and large granite island; front parlor with distant views; and an elegant great room with tongue-and-groove ceiling. Just off the great room is a cozy south-facing sunroom. Upstairs the home has an additional 4 bedrooms and 2 en suite
